Mission Statement
The Western Slope ATV Association was founded on the principle of promoting ATV use as a legitimate family recreational activity on public lands. In doing so, we will promote reasonable use and educate the general public, media and elected officials on land use. The WSATVA will provide search and rescue assistance to Mesa County and will work with the local BLM and Forest Service offices to obtain grants and to provide trail maintenance and construction to help the outdoor community.

**SARC:** Vice President Ken Sanders gave details on three Missions: Owens Creek, Coal Canyon and Rabbit Valley.

**TRAILS:** Tom Derryberry was not in attendance. Steve Chapel reported crews cut 46 fallen trees above Vega Reservoir, 31 trees at Hightower.

Steve Chapel stated that there are three Grant Applications in process: Two are spearheaded by Ken Sanders including a grant for a backhoe and trailer and a grant to cover the expenses for ‘Cultural Studies’ required by BLM prior to establishing new trails. Steve is working on the annual grant which this year will be $16,000. It will include items for trail supplies and equipment repair. Steve also said that in the spring, with new grant funds, the Club will purchase buck-and-rail fencing to use on trails.

**SAFARI:** Conrad Tucker reported on the Crystal River ride stating that the fall colors were perfect for viewing. There were 17 machines involved and everyone enjoyed viewing the Crystal River Mill and the Mine at Marble, Colorado.

Jim Reed reported on the Ride to De Beque and the ‘goblins’. There were 6 machines involved and everyone enjoyed the ride.

**NEW BUSINESS:** President Steve Chapel said that the Annual Party will be held Saturday Jan. 18, 2020. It will be held at the Travelodge—same as last January. Club Members will pay $10 per person with children under age 16 being admitted free. The Club will pick up the rest of the costs for the Annual Party. Steve mentioned that there will be door prizes, a Gift Exchange (Steal a Gift) and Toby Smith will supply Disk Jockey music. Steve also said that at the next meeting, he would ask for volunteers to approach area businesses to ask for Door Prizes.

Steve Chapel announced two Parades: Veterans Day Parade Nov. 9th and the Parade of Lights scheduled for Dec. 7th. The Theme
for the Parade of Lights is ‘Comic Book Christmas’. Steve stated further that an email would be sent out to ascertain how many Club members will ride in each Parade. If we don’t get enough Members signed up, we may not participate in the Parade. Watch for the Email.

Steve Chapel announced that in April or March of next year the Club would ask for 1-3 volunteers to give a presentation to a group of area leaders in both Fruita and Grand Junction. The purpose is to let these folks know who we are and what we do. More details later.

**Officers for 2020**

In January we will have elections for new officers. We are very open to changing things up with new blood in the leadership positions. The office of President, Vice-President, Secretary and Treasurer will be up to the membership to fill. We used to have a nominating committee to search out willing prospects of at least one person for each position. We ceased doing things that way when the committee could not find anyone and then we could not find people wanting to be on the committee. It is beneficial to the club to change things up once in awhile. We are hoping someone will let us know they are willing or better yet, want to be an officer. We hope some of you will consider the opportunity. The four officers are also Board members and the president appoints the remaining Board Members which consist of Trails Chair, Newsletter Chair, Webmaster, Safety Chair and an at-large seat which could be any member. John Yurick has expressed the desire to let someone else fill his shoes as an At-Large Board Member. Hopefully some people give some thought to this. You can let anyone one of us know your desire or feel free to ask questions.

LAKE CITY UPDATE

Last March, we had an article concerning OHV use in the town of Lake City, Colorado. A special election was held on July 23, 2019. An update on July 24, 2019, showed preliminary results. Yes—119, No—186. The preliminary outcome means that the existing OHV ordinance for the Town of Lake City will not be changed by this election. Source: http://www.townoflakecity.co/

LAKE CITY OHV REGULATIONS

ATV, UTV, and OHV use is allowed from 2nd Street, heading south on CO HWY 149 to CR30. This 2.5-mile section of State Highway is part of the Pilot Program implemented by CDOT. Be aware that at ANY time, the Pilot Program may be stopped and allowances may change. Please DO NOT attempt to travel NORTH beyond 2nd Street on CO Hwy 149.

For personal safety and the safety of others, please exercise common road courtesy and mountain-driving common sense. Please note...

- You MAY cross through the Lake City Auto property to make your way to the bridge crossing into Ball Flats.
- You may also use that parking lot to make way to the bridge and then cross diagonally over Hwy 149 into the Country Store parking lot, to access Ocean Wave Drive.

Once on Ocean Wave Dr, if you travel west/northwest you will then turn on Black Bear Drive. Follow this to Rocky Springs Drive, then onto San Juan Springs Drive. This will give you access to the Toy Wash just north of town. Source: https://www.lakecity.com/plan-your-colorado-trip/ohv-regulations
